

YOUNGWOOD BOROUGH

Resident Request for Firewood

I, the undersigned property owner(s) hereby request the Youngwood Public Works Department to deliver firewood recovered from various clean-up events to my property. I understand that this request will be fulfilled on a first come first serve basis and that it will only take place as time permits for the Public Works Department. I understand that my request will be placed on a list and I will be contacted prior to delivery.

I hereby request and give my permission to the Borough of Youngwood to enter my property to make the requested delivery.

Furthermore, I agree to release the Borough of Youngwood from liability and waive any and all claims of any kind which may arise as a result of my request, including but not limited to any and all property damages.

I understand and agree that my request for assistance does not create an obligation on the part of Youngwood Borough to perform any firewood deliveries. The Borough's first priority in the event of a storm is to keep all public streets passable. I understand that any firewood deliveries will be made only after emergency clean-up efforts have concluded.

I agree to ensure that any deliveries of wood to my property shall be stored in a manner so as to not create a nuisance or safety hazard to other residents. I understand that every effort will be made to provide safe burning firewood, but ultimately it is my responsibility to ensure the use of proper hardwoods for consumption in my residence.

AGREED TO this ____ day of _____, 20__
