

This is an announcement of a new contract to provide recycling and waste services within the Borough limits, from Republic Services.

1. Residents will be receiving a 95-gallon container for waste collection the week of December 17, 2018. You can begin using the waste container upon delivery. After January 1, you must use the wheeled container provided by Republic Services to receive waste collection.
2. Recycling service is also included with the current 65-gallon recycling container. Recycling collection will be every other week on the same day as your waste collection.
3. A calendar is provided to show your collection week, according to where you live within the borough.
4. The service rate is \$19.00 per month for both recycling and waste, which includes the recycling and waste containers. You will be invoiced for these services quarterly. One bag is permitted outside of the container at no additional cost. Additional bags over your one bag limit are \$2.00 per bag.
5. Senior citizens over 65 years old are eligible for a discounted rate of \$15.20 per month. You will be invoiced for these services quarterly.
6. One bulk item per month is included at no additional charge. Tires will not be collected; appliances containing Freon are required to have the gas removed by a certified technician and tagged as such, prior to collection. Mattresses and box springs must be wrapped and sealed in plastic for bulk collection.
7. Republic Services Customer Service number is 877.788.9400.
8. Holidays – the six major holidays may cause a “one day” delay in your collection.
9. Container locations – please set your containers at the curb with the handles facing away from the street. Containers should not be under branches or low wires and should be a minimum of 3 feet way from poles, light fixtures and mailboxes. Also, please separate the recycling and waste containers by at least 3 feet. They can be placed on opposite sides of the driveway.
10. All recyclable material should be **empty, clean and dry**. Please completely rinse all food and beverage containers prior to placing them in your container (for example, no ketchup or mustard may be left in the bottles).
11. Recyclable items include newsprint, paper, plastic food and beverage containers #1 - #2, aluminum cans, steel cans, cardboard and corrugated boxes. **Glass is no longer recyclable.**
12. Non-recyclable items include drums, ashes, tires, glass, plastic #3 - #7, batteries, car parts, medical waste, liquid waste of any kind, paint and contaminated (uncleaned) recyclables.

Youngwood Borough & Republic Services E-Waste Collection

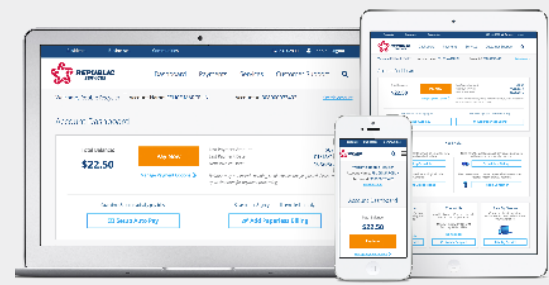

E-Waste service begins Beginning January 1, 2019

E-Waste collection is a new service to residents in Youngwood Borough offered by Republic Services®. There is no additional charge for this service. E-Waste can now be safely collected from each home by calling 724.887.9400. Data destruction is assured.

E-Waste will include televisions, computers, monitors, VCRs and DVD players, printers, fax machines, cable boxes, keyboards, gaming equipment and similar electronic waste.

There will be a limit of two televisions and/or computer monitors during each collection. Residents must call to arrange for collection. Residents will then be asked to describe the items they wish to be collected. Residents will be told when and where on their property the E-Waste will be collected. These E-Waste items will NOT be placed at the curb with the weekly waste. E-Waste collection will be made with a separate truck and crew and may not be on the same day as your regular waste collection.

Youngwood Collection Schedule

All waste will be collected on Monday. All recyclables will be collected every other week on the same day as waste collection.

Residents will receive a 96-gallon waste container in addition to the 65-gallon recycling container already in use, and can put one bulk item out the first week of the month. One additional bag outside the waste container is included in regular service. Additional bags outside the waste container will require a tag. Tags can be purchased at the Borough office for \$2.00 per tag. The cost for regular collection services is \$57.00 per quarter. Residents can also receive a second container for an additional \$3.50 per month for container and collection services.

Senior Citizen Rate - Senior citizens generally produce much less material and many times are on a limited income. The special senior citizen rate is \$45.60 per quarter.
