### **Public Comment**

1. Read letter from Emily Fitzgerald of 213 North 6<sup>th</sup> Street regarding an issue with parking on the streets. She stated some residents will leave a big gap in between cars. They won't kindly move up more when literally another car can fit. She believes it would be brilliant and best if there could be lines painted so it's convenient for every car to park evenly and share the space.

Vice-President Cowherd will reach out to Mrs. Fitzgerald.
